ORDER

This 28 U.S.C. § 2241 petition for writ of habeas corpus is before the court on the October 28, 2019, Recommendation of the United States Magistrate Judge. (Doc. 4). Petitioner filed timely objections to the Recommendation. (Docs. 5 and 7). However, the objections are just a few pages of the Sumter County Jail Inmate Handbook with a few handwritten notations claiming that the jail does not abide by the terms of the handbook (Doc. 5 at 3-5) and a statement that the Petitioner “objects to the U.S. magistrate[‘s] delusional and psychotic lies...” (Doc. 7 at 1). The objections offer no argument addressing any part of the Recommendation and is meritless. Upon review of the Recommendation and the objection to the Recommendation filed by Petitioner (Doc. 5), and after an independent review of the file, it is

ORDERED that:

1. Petitioner’s Objection to the Recommendation is OVERRULED;
2. The Recommendation of the Magistrate Judge is ADOPTED;
3. This case is DISMISSED without prejudice for lack of jurisdiction.

A separate Final Judgment will be entered.

DONE and **ORDERED** this 18th day of November 2019.
